Re: Beverly Hills Dairy Permit Number NEV2006504, Request to Dismiss Appeal

Dear Mr. Walker:

On May 27, 2010, the Nevada Division of Environmental Protection (NDEP) received a request from Rockview Farms Inc. for the termination of its groundwater discharge permit (NEV2006504) issued for Beverly Hills Dairy. Exhibit 1. On June 15, 2010 NDEP granted Rockview Farms' request and terminated the discharge permit. Exhibit 2. Since the permit is now terminated NDEP requests that the State Environmental Commission dismiss the pending appeal of the discharge permit, filed by Mr. Bill Barrackman, as moot.
