**Unopposed Motion to Reset Briefing Schedule**

Appellant Save Our Smith Valley ("SOS") hereby moves the State Environmental Commission to reset the briefing schedule established in the Commission's April 20, 2015 Order Regarding Briefing Schedule. SOS requests an additional four (4) days in which to file its Opening Brief; from May 4 to May 8, 2015. To ensure Respondents have the same amount of time to respond, the time for NDEPs and Smith Valley Dairy's Responsive Brief shall be extended to May 29, 2015. SOS does not seek an extension of time to file its Reply Brief (set for June 18, 2015). Counsel for SOS has contacted representatives from NDEP and Smith Valley Dairy and they do not oppose this motion.

Dated: May 4, 2015.

Respectfully submitted,

By
