R038-13: This regulation revises NAC 444. Nevada Revised Statutes (NRS) 459.500 and 459.510 establishes the authority of the SEC to adopt fees related to regulation of hazardous waste management facilities. The proposed regulation revises existing fees applicable to facilities that treat, store or dispose of hazardous waste. Permit review fees that are charged on an hourly basis for renewal or modification of an existing permit are replaced with a flat fee structure. The structure of annual permit fees is also revised and fees are increased. The regulation is further clarified to indicate that annual permit fees are applicable to facilities where a remedial action plan has been permitted pursuant to 40 CFR Part 270 Subpart H. Various fees applicable to the volume of waste disposed or treated by a permitted facility are also revised.
