**Re: State Environmental Commission Petition 2005-10 -- Waste
Landfill Cover Requirements**

Dear Ms. Corp:

Enclosed for "Re-drafting" by the LCB Legal Division is a proposed permanent regulation that amends NAC 444.688. This regulation addresses "cover requirements" of compacted solid waste at certain landfills in Nevada.

Special Note: This regulation was previously submitted to LCB on November 03, 2005 and it was assigned LCB # R179-05. While the regulation was not submitted to the State Environmental Commission (SEC), it has now been re-drafted for consideration at the next SEC meeting in September.

Additional supporting information for this proposed regulation is available on the SEC website at the following address:

The point of contact at NDEP for this amended regulation is Mr. Ed Glick, Bureau of Waste Management (687-9467).

Sincerely,

John B Walker
