R015-11: Air Pollution Control Adopt by Reference; Greenhouse Gas Permitting: With this temporary regulation, the State Environmental Commission [on behalf of the Nevada Division of Environmental Protection (NDEP)] has update the agency's adoption of the federal "prevention of significant deterioration of air quality" (PSD) rule to include US EPA's greenhouse gas (GHG) permitting requirements. Without this adoption, US EPA would be the primary PSD permitting authority for sources in Nevada.
