**Regulation R194-07: Proposed On-Site Sewage Disposal System**

Dear Ms. Corp:

Tony Lesperance  
Director, Department of  
Agriculture

Attached is a permanent regulation referenced above that was adopted by the State Environmental Commission (SEC) on June 17, 2008. Also attached is the filing statement required by NRS 233B.066 and the SEC form for filing administrative regulations with the Secretary of State.

Eugene Gans  
Las Vegas, NV

**Special Note:** The State Environmental Commission adopted the regulation with one insignificant non-substantive change. The language change was made to Sec 57 (d) on page 23 as noted below;

Kenneth Mayer - Director  
Department of Wildlife

*(d) A public or community sewerage system, which includes in its jurisdiction the property where the proposed on-site sewage disposal system is located, is available ~~at the property line of the proposed system~~, except that a letter of approval or permit may be granted by the Division or other administrative agency if the public or community sewerage system approves, in writing, the construction or operation of the proposed on-site sewage disposal system.*

Ira Rackley  
Las Vegas, NV

The language in this section was excluded to allow local jurisdictions flexibility in determining when on-site sewage disposal systems are allowed in conjunction with public or community sewerage systems.

Tracy Taylor  
State Engineer  
Division of Water Resources

Harry Shull  
Las Vegas, NV

Frances Barron  
State Board of Health  
Las Vegas, NV

Stephanne Zimmerman  
Las Vegas, NV
