**Re: Regulation P2012-05: Air Pollution Control, Best Available Retrofit
Technology (BART):**

Dear Ms. Corp:

Enclosed for "drafting" by the LCB Legal Division is a proposed permanent regulation that implements "Best Available Retrofit Technology" for the Reid Gardner Power Station in southern Nevada. The proposed regulation responds to federal regulations that require states to establish emission reduction strategies for national parks and wilderness areas.

More information about this regulation is posted on the SEC website at:
http://sec.nv.gov/main/hearing_0612.htm

If you have any questions about this regulation please contact Ms. Adele Malone at 687-9356.

Sincerely,

John B. Walker

John B Walker
