Section No.	Description	Page*
18	459.95265 "Mitigation" and "mitigation system" defined	8
no change	459.95267 "N.A.I.C.S." defined	
no change	459.95269 "Natural gas processing plant" defined	
no change	459.952695 "New process" defined	
no change	459.95271 "N.F.P.A." defined	
no change	459.95273 "Off-site" defined	
19	459.95275 "Owner or operator" defined	8
no change	459.95277 "Passive mitigation" defined	
20	459.95279 "Prevention program" defined	8
21	459.95281 "Process" defined	9
no change	459.95283 "Process hazard analysis" defined	
no change	459.95285 "Produced water" defined	
repealed	459.95287 "P.T.A.H." defined	114
no change	459.95289 "Public" defined	
no change	459.95291 "Public receptor" defined	
repealed	459.95293 "Stationary source" defined	114
repealed	459.95295 "Substance" defined	115
22	459.95297 "Threshold quantity" defined	9
repealed	459.95299 "Tier A substance" defined	115
repealed	459.9531 "Tier B substance" defined	115
23	459.95312 "Vessel" defined	9
repealed	459.95314 "Worst case release" defined	115
Applicability		
24	459.95321 Responsibility for Applicability Determination	10
25	459.95323 Criteria for Applicability Determination	10
repealed	459.95324 Inclusion of explosives manufacturing operation in tier A program	116
repealed	459.95325 Tier B program	116
repealed	459.95327 Determination of program level for tier B program	119
Table of Substances		
26	459.9533 Tabulated values for threshold quantity, two release quantity, toxic endpoints, and explosives	14
	Explosives designation	24
General Performance and Submission Requirements		
27	459.95332 General requirements	24
28	459.95334 Annual fee	25
29	459.953345 Annual fees for facility with explosives manufacturing operation	26
repealed	459.95336 Requirements specific to tier A program	121
repealed	459.95338 Requirements specific to tier B program	121
repealed	459.95342 Requirements for both tier A and tier B programs	122
30	459.95344 Reports of regulatory agencies: Submission; form	27
Permit to Construct and Operate a New Process		
31	459.95345 Application for permit to construct: Preliminary meeting with division	30
32	459.953451 Application for permit to construct: Submission; contents;	30

	requirements for accompanying documents, specifications and calculations	
repealed	459.953453 Application for permit to construct: Information held as trade secret	122
33	459.953455 Contents of application for permit to construct: Process hazard analysis; information concerning process safety	32
34	459.953457 Contents of application for permit to construct: Site plan; plot plans of project area; diagrams; drawings	33
35	459.953459 Contents of application for permit to construct: Specifications	37
36	459.95346 Contents of application for permit to construct: Calculations	38
no change	459.953461 Contents of application for permit to construct: Information concerning inspectors for construction of process pipes, concrete foundations and structural steel	
no change	459.953463 Initial review of application for permit to construct; notification of applicant concerning completeness of application	
37	459.953465 Notice of receipt of application for permit to construct; period for public comment; action by division after period of public comment	39
38	459.953467 Conditions for issuance of permit to construct; approval of site plan; certain modifications in construction to be reflected in pre-startup safety review	40
no change	459.953469 Commencement of construction before issuance of permit to construct	
39	459.95347 Maintenance and availability of information during construction activity before issuance of permit to construct; revised schedule for construction upon issuance of permit	43
40	459.953471 Permit to operate: Requirement to commence operation or to bring certain substances onto site of new process	44
41	459.953473 Permit to operate: Conditions for issuance; submission of assessment report	44
42	459.953475 Fees	45
43	459.953477 Exemption from payment of certain annual fees	47
	Annual Registration	
44	459.95348 Submission; content; time requirements	48
45	459.9535 Information concerning facility	50
repealed	459.95352 Summary of off-site consequence analysis	123
46	459.95354 Report of accident history	51
repealed	459.95356 Description of emergency response program	124
47	459.95358 Certification	52
	Hazard Assessments	
repealed	459.95362 Applicability	125
48	459.95364 Parameters for analysis of off-site consequences	54
49	459.95366 Analysis of worst-case release scenario	56
50	459.95368 Analysis of alternative release scenario	61
51	459.9537 Defining off-site impacts on population	64
52	459.95372 Defining off-site impacts on environment	64
53	459.95374 Review and update of off-site consequence analyses; revision of assessment report	65
no change	459.95376 Documentation to be maintained concerning worst-case release scenarios and alternative release scenarios	
repealed	459.95378 Five-year accident history	125
	General Requirements for Prevention Program	
repealed	459.95382 General requirements	126

Section No.	Description	Page*
	Requirements for Prevention Programs, Tier B Program Level 2	
repealed	459.95386 Safety information; compliance with good engineering practices	127
repealed	459.95388 Hazard review	128
repealed	459.9539 Operating procedures	129
repealed	459.95392 Training procedures	130
repealed	459.95394 Procedures for maintenance of equipment	131
repealed	459.95396 Verification of compliance; documentation	132
repealed	459.95398 Investigation of incidents	133
	Requirements for Prevention Programs	
54	459.95412 Information concerning process safety	65
55	459.95414 Process hazard analysis	68
56	459.95416 Operating procedures	71
57	459.95418 Training procedures	73
58	459.95421 Procedures for maintenance of equipment	75
59	459.95423 Procedures for management of change in process	77
60	459.95425 Pre-startup safety review	78
61	459.95427 Verification of compliance; documentation	79
62	459.95429 Investigation of incidents	80
63	459.95431 Employee participation	81
